DETAILED ACTION

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 32-38 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

a. Claims 32-38 depend from canceled claim 30. Therefore, it is not readily apparent as to exactly what is being claimed. It appears that claims 30 and 31 should not have been canceled per the preliminary amendment filed July, 12, 2001.

Conclusion

3. The claims have not been further treated on the merits since they are not fully understood.

4. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

a. The cited references relate to polishing apparatuses having polishing pads and platens.
